Messages

Prof. Daman Saluja
Chairperson, GB

It's a great moment for any college to reach this milestone of completing 25 years of excellence in its service towards humanity. I feel very proud to be associated with this college of repute and on this auspicious occasion I extend my heartfelt congratulations to all those who have been a part of its remarkable journey. I also want to extend my heartiest congratulations to all the students and alumni of this prestigious college who have accomplished profound success. My best wishes to the college, staff and students for achieving newer heights.

Prof. Satish K. Awasthi
Treasurer, GB

It's a matter of great delight for me to know that Keshav Mahavidyalaya, a constituent college of the University of Delhi, which was established in 1994, has successfully completed 25 years of excellent service in education and is now going to celebrate "Silver Jubilee" function which is to be held on Oct. 22, 2019. The college has reached great heights in a very short span of time. It also adds feathers in its achievements that one of the world-renowned Scientist, Prof. P. Balaram, Ex-Director IISc Bangalore, is the chief guest of this function. I congratulate Prof. Madhu Pruthi, Principal Keshav Mahavidyalaya and her team who are organizing the Silver Jubilee function. My heartfelt wishes to her for the grand success of the function.

Prof. Madhu Pruthi
Principal

With tremendous joy and pride, I write this message on the auspicious occasion of Silver Jubilee of Keshav Mahavidyalaya. I feel very fortunate to have been associated with this college as its Principal. Every change, whether big or small, has brought to the college the reputation it enjoys today. I express my sincere gratitude to all staff members and students for working hard to make the college a highly sought-after academic institution. Their dedication and efforts are greatly acknowledged and appreciated. I am immensely grateful to founder Principal, Dr. K. P. Chinda for establishing a strong foundation for the college and instilling great values and discipline among staff members and students. I also acknowledge the efforts and guidance provided by all the Governing body members, whose support has been helpful to the college at every stage. Additionally, my gratitude is extended to all those who have been associated with the college and contributed to the success of this institution. Let's celebrate this grand moment and look back to learn all the lessons, good and bad from it. It is a moment to pledge that all of us will continue contributing for the good of the institution. Lastly, I would like to convey my best wishes to the college, staff and students for this milestone, and many more to come.

Aadi: The Journey Begins

25 years are witness to the stellar path Keshav Mahavidyalaya has traversed, reaching beyond its goalposts and carving a niche for itself in a very short span of time. The college began its beautiful journey under the guidance and vision of its founder principal Dr. K.P. Chinda. Since its inception, the college has dedicated itself to inspire and enable its students to meet the challenges of a knowledge-based society and to compete in a global scenario. It emphasises on seamlessly integrating theoretical concepts with practical knowledge anchored by an enabling infrastructure and environment of learning. The mission of the college is to achieve excellence in diverse fields of teaching and learning. The faculty and students have always endeavoured to fulfil their responsibilities of good citizenship and service in their chosen areas of study. The college firmly believes in the principle of inclusion and equal opportunities for all through its various endeavours. Keshav Mahavidyalaya abides by the motto “ऋते ज्ञानान् मुक्तिः”, without knowledge there is no salvation and we move forward in a sustained direction to accomplish our vision.

Academic Excellence

We proudly look back at the University Positions that the students achieved right in the initial years of each course that was started in Keshav Mahavidyalaya.

B.Sc. (G) Computer Science that was started in 1994 witnessed I, II and III University position in 1995, 1996 and 1997 respectively. The course also had students with II University position in 1999 and I position in 2000. The University positions for the course continued thereafter in the years 2001 and 2002.

B.Sc. (H) Electronics that was started in 1995, had students bagging II position in University in the second year in 1998. Year 2000 witnessed I position in first, second and third year. The course continued to have University positions in later years too.

PGDCA which began in 1995 saw students bag I and III positions in its very first year in 1996, II position in 1999, again I position in 2000 and II in 2004.

B.Sc. (G) Mathematical Science which was offered in the college in 1996, had students bag I University position in the first year and III University position in the third year in 1999. The academic merit continued to accrue with University positions in 2002, 2004, 2007 and 2011.

B.Sc. (H) Computer Science became a highly sought-after course at Keshav Mahavidyalaya largely because of the meritorious results it produced year after year. The course was started in 1996 and was renamed as BIS in 1998. It witnessed a series of University positions, namely, I and II position in first year in 1998, II and III positions in first year in 1999, III position in second year in 1999, I position in third year in 2000, II and III position in third year in 2000, I position in fourth year in 2001 and I position in second semester in 2001. Later when the course was again converted to B.Sc. (H) Computer Science the University positions continued in 2003, 2005, 2007, 2009 and 2011.

Students from courses like BBS, B.A. (H) Psychology, B.Sc. Physical Science and B.Sc. (H) Mathematics have also brought laurels to the college by winning I University Positions over the years.

Excellence in Sports

The students of the college have been excelling on the sports front as well. Three students have bagged gold medals in Netball and Taekwondo at international level. Sixty students have bagged medals at national and inter University level in different sports. Ninety students have bagged positions at inter college level.

Anant: The Path Ahead

The college seeks to be an exemplary institution for advancement of the knowledge base of students through excellent pedagogy. The college has always encouraged its staff members to pursue their academic goals of acquiring higher qualifications. Faculty members of the college are actively involved in research and have published their research papers in reputed international and national journals. Out of 47 permanent faculty members of the college, 39 have completed their Ph.D. and many are pursuing their Ph.D. degrees. Three teachers went abroad for post graduation under Faculty Training Program. Seven teachers of the college are supervising Ph.D. students and two teachers have been awarded UGC sponsored projects. Accolades have been won in sports by faculty. Many faculty members have been involved either in innovation projects or independent research projects. Participation in innovation projects has given a platform to the students and teachers alike for interacting, working together and enhancing research aptitude. The college actively supports the holistic development and progression of its students for higher education, employment or entrepreneurial ventures. The students from underprivileged sections, overseas students, differently abled and students with learning difficulties are provided special attention and care. Scholarships and financial aid are offered to all desirous and deserving students. By successfully synergizing the pillars of intellectual, spiritual, emotional and professional growth, the college has, over the years, built a reputation of being one of the best off-campus colleges of the University of Delhi. The college believes that a literate and educated society is important for the intellectual growth and development of the citizens and the nation itself. High-quality education is everyone's right and only a dynamic education system can create an inclusive, equitable and productive economy in a global environment.

The college is committed to provide a concrete foundation for a lifetime of learning and to churn out students who are holistically developed to meet the challenges of the diverse and ever-changing world. The pursuit of excellence is never ending and it's the endeavour of the college to keep striving towards the vision it has espoused.
