Minutes of Emergent Staff Council Meeting held on January 31, 2019

An Emergent meeting of the Staff Council was held on January 31, 2019 at 9:00 am in the staff room of the college on the agenda to discuss & approve the relevant documents relating to incorporation of 10% reservation for Economically Weaker Sections (EWS) which have been prepared with assistance of Teacher In -charges & Course Coordinators & members of Academic Affairs Committee of the college.

Members of the academic affairs committee of the house that they were not involve in the preparation of the relevant documents relating to incorporation of 10% reservation for Economically Weaker Sections (EWS) presented in the house.

One of the members of the Staff Council raised his/her concerns for not having 7.5% reservation for ST and 27% for OBC in the total seat matrix presented in the house by the chairperson after incorporation of 10% reservation for Economically Weaker Sections (EWS).

After a lot of deliberation and discussion house reached to an agreement that the individual seat matrix for various courses of the college has been prepared at the departmental level and the total seat matrix of the college is just their arithmetic summation and hence may not assure the required percentage of reservation for all the categories in the total seat matrix prepared by the college.

Further to work upon and to modify (if required) the seat matrix prepared by the courses /college in order to incorporate and implement various reservation quota, the following EWS Reservation / Implementation Committee was constituted in the house comprising of members of various categories as per required reservation mandated by the constitution.
