

## Instructions for Generic Elective - 1 (GE - 1) Option Form 2023-24

Please read the instructions given below carefully before filling the Option Form for Generic Elective-1 (GE-1) Paper:

- A student taking admission in any undergraduate course in Delhi University is required to study a General Elective (GE) paper in the 1st semester and upcoming semesters. *Generic Electives are a pool of courses meant to provide multidisciplinary or interdisciplinary education to students. These courses are offered by various disciplines of study (excluding the GEs offered by the parent discipline), in groups of odd and even semesters, from which a student can choose.*
- A student may be awarded Minor in a discipline, on completion of VIII Semesters, if he/she **earns minimum 28 credits from seven GE papers** of that discipline.
- The student must read the Delhi University undergraduate curriculum framework 2022 (UGCF 2022) carefully before filling the option form. The same is available at : [https://centenary.du.ac.in//userfiles/downloads/02032022\\_UGCF\\_compressed.pdf](https://centenary.du.ac.in//userfiles/downloads/02032022_UGCF_compressed.pdf)
- Many PG courses offered by Various Institutes / Universities have a minimum requirement to study a specific discipline paper other than the core subjects. The GE paper(s) can fulfil that requirement to pursue master's study in the desired field. e.g., It is mandatory for the students of B. Sc. (Hons.) Physics to study Mathematics as Generic Elective (GE) papers, so that they are eligible for appearing and competing in entrance test for admission under P. G. Courses in various institutes.
- The student must fill all the preferences for GE papers offered by the college carefully as the GE paper will be allotted as per the preferences (**on first come first get basis**).
- College reserves the right to allocate GE-1 option to the students other than the first preference.
- The **student will not be permitted to change the options/preferences** once submitted under any circumstances.
- The minimum number of students in a class/section is 20. The maximum number of students in a class/section is 60.
- Students **who will not abide by the deadline of filling the GE-1 option form, will be allotted GE 1 by the college** as per the availability.
- The students are required to **fill the GE-1 option form with same email id registered on UG admission portal.**
- The students will be allotted the best possible preference on “**First Come First Get**” basis. GE paper once allotted will not be changed under any circumstances.

**Note: GE 1 paper once allotted will not be changed under any circumstances.**
